BUSINESS MODEL CANVAS 2

REFLECTIVE EXERCISE

FINANCIAL BLOCKS

1. DESCRIBE YOUR BUSINESS' COST
STRUCTURE
(largest costs and expenses that your business
will incur while operating your business model)

2. DESCRIBE YOUR BUSINESS' REVENUE
STREAMS
(the earnings your company generates from
each customer segment)

1. DESCRIBE YOUR BUSINESS' COST STRUCTURE

Instruction: What are the largest costs and expenses that your business will incur while operating your business model? Focus on names and descriptions instead of specific dollar amounts!

Examples: Cash, credit, marketing materials, buildings, vehicles, human resources, customer databases, etc.

FIXED COSTS/ EXPENSES

VARIABLE COSTS/ EXPENSES

REFLECTIVE EXERCISE

2. DESCRIBE YOUR BUSINESS' REVENUE STREAMS

Instruction: Describe the revenue streams that will be generated by your Customer Segments and the value proposition for each segment. You can have more than one stream (Free is considered a revenue stream).

Please use template provided. Please duplicate the slide if you need more space.

CUSTOMER SEGMENT	VALUE PROPOSITION	REVENUE STREAM
(Example: Dog Owners)	(Example: Healthy dog food delivered to your front door!)	(Example: Subscription Model)
Creative Women	Empowering visuals + brand clarity that align with their personal expression	Visual branding packages, creative sessions
African Business Owners	Culturally-rooted brand storytelling that builds visibility and community pride	Photography + social media strategy packages
Entrepreneurs & Startups	Strategic visuals and digital presence that establish credibility and drive growth	One-time projects, ongoing consulting retainers
Emerging Creatives & DIY Brands (New)	Affordable tools, templates, and guidance to grow their brand on their own terms	Website Subscription: access to branded content, templates, caption packs, and community tools
